In keeping with our policy of continuing product improvement, Elkay reserves the right to change product specifications without notice. Please visit [elkay.com](#) for the most current version of Elkay product specification sheets. This specification describes an Elkay product with design, quality, and functional benefits to the user. When making a comparison of other producers' offerings, be certain these features are not overlooked. Latest version of the spec sheet available: https://www.elkayfiles.com/spec-sheets/LRAD191840_spec.pdf

A detailed diagram showing the hardware for securing a sink to a countertop. A U-shaped metal channel is positioned around the sink's base. A screw is used to tighten a clip that secures the U-channel to the underside of the countertop. A small bead of silicone caulk is shown at the junction of the sink and the countertop. Labels with arrows point to the following components: Silicone Caulk (not furnished), Sink, U-Channel, Clip, Screw, and Countertop.
