Installation Service Limited Warranty

Elkay warrants to the original Customer that installation work performed by Elkay will be free from defects in workmanship for a period of 90 days from the date of installation, subject to the terms and conditions contained in this warranty document. Elkay will perform the installation services in a professional manner and in substantial conformance with the manufacturer's installation instructions. Elkay's warranty is limited to correction of any defective workmanship at no additional cost to Customer.

What Warranty Does Not Covered

This Limited Warranty does not cover any defects or damages arising from causes other than the defective performance of the installation services provided by Elkay, including but not limited to Customer's failure to observe manufacturer's instructions with respect to the product, subsequent alterations, misuse or abuse of the Elkay installed product, or other causes beyond Elkay's reasonable control.

How to Obtain Service

If a problem with the installation develops during the warranty period Customer should contact Elkay at 1-800-952-8064 or email installservice@elkay.com with a description of the nature of the problem. Elkay will investigate the claim promptly. Any warranty work will be done during normal working hours except where a delay will cause additional damage. Customer agrees to provide access to the installation location and to make available during the work a responsible adult with the authority to approve the warranty work and confirm satisfactory completion of the warranty work.

Voided Warranty

This Limited Warranty is voided if the product is removed, repaired, re-installed or otherwise tampered with.

Complete Agreement

This Limited Warranty may not be altered, varies, or extended, except by a written instrument executed by Elkay. The remedy if correction of defective services as provided under this Limited Warranty is exclusive. In no event shall Elkay be liable for any consequential or incidental damages to any person, whether or not occasioned by negligence of Elkay, including without limitation damages for loss of use, costs of substitution, property damage, or other monetary loss. Some states of the United States do not allow the exclusion of limitation of incidental or consequential damages, so the above limitation or exclusion may not apply.

The Limited Warranty gives specific legal rights and in some states of the United States there may also be other rights, which vary from state to state.
